

NEED TO RAISE \$\$ FOR YOUR GROUP?

St. Martin High School Band Boosters

OCEAN SPRINGS, MISSISSIPPI

The St. Martin High School Band Boosters had the pleasure of partnering with King Fundraising on our World's Finest Chocolate fundraiser, and they helped us exceed the band's fundraising goals. King Fundraising's tips and suggestions, along with the best product in fundraising, helped the band sell over \$30,000 in chocolate with only 90 students participating! **At 50% profit, that's \$15,000 profit to the band students!**

The World's Finest Chocolate brand sells itself as long as you have parents and students willing to put forth a little effort. It will be the easiest fundraiser you will ever organize for your band. This experience selling the chocolate taught our students some valuable life lessons.

We highly recommend your group consider King Fundraising for your fundraising needs.

Katy Stallings

St. Martin High School Band Boosters President
